

Danville Utilities *Custom\$ave* Energy Efficiency Program: Commercial HVAC Rebate Application

Please complete the entire form for rebate processing. The rebate will be paid upon verification that energy efficiency measures have been installed to program standards.

Danville Utilities Account #	Danville Utilities Customer #	Building Square Footage

Recipient _____ Installation Date _____
 Installation Address _____
 Mailing Address _____
 City _____ State _____ Zip _____
 Contact _____ Email _____ Phone (____) _____ Ext _____

HVAC Rebate Table					
Equipment Type	Size Category	Qualifying Efficiency			Rebate (per ton)
Unitary and Split Air Conditioning Units and Air Source Heat Pumps <i>(See Eligibility Requirements on reverse side)</i>	< 65,000 Btu/h (5.4 Tons)	Tier 1	14.0 SEER / 12.0 EER (split system)	14.0 SEER / 11.6 EER (single package)	\$40
		Tier 2	15.0 SEER / 12.5 EER (split system)	15.0 SEER / 12.0 EER (single package)	\$60
	65,000 Btu/h (5.4 Tons) – 240,000 Btu/h (20 Tons)	Tier 1	11.0 EER		\$40
		Tier 2	11.5 EER		\$60
	241,000 Btu/h (20 Tons) – 760,000 Btu/h (63.3 Tons)	10.5 EER			\$40
	≥ 760,000 Btu/h (63.3 Tons)	9.9 EER			\$40
Package terminal air conditioners and heat pumps (PTAC/PTHP)	ALL	See Minimum Efficiency Calculation* below			\$40
ENERGY STAR Room Air Conditioners	≥ 8,000 Btu/h	Must be ENERGY STAR qualified			\$25 per unit

*PTAC and PTHP Minimum Efficiency (EER) Calculation: **12.8 EER – (.213 x (Cooling Btu/h ÷ 1000))**. Example: One ton unit with cooling capacity of 12,000 Btu/h – Minimum Efficiency = 12.8 – (.213 x 12,000 ÷ 1000) = 10.2 EER

HVAC Equipment Detail								
Equipment Description	Make & Model # (for split system, supply both indoor & outdoor unit info)	Unit Efficiency (SEER/EER Rating)	AHRI Reference Number*	Unit Size (tons) A	# of Units B	Rebate (per ton) C	Total Rebate A*B*C	Date Installed

* Danville Utilities requires an AHRI reference # or documentation from the AHRI Manual to verify the required efficiency level for all HVAC systems. If the equipment or matched set is not in the AHRI manual, the manufacturer's technical specification sheets must be provided showing the efficiency level tested under AHRI conditions. Equipment capacity (size) and efficiency must be based on AHRI design conditions.

VERIFICATION RESULTS

___ Approved ___ Rejected Inspector Signature _____ Date _____

Approved Rebate Amount \$ _____

To be completed by installation contractor/material vendor if applicable:

HVAC Contractor _____ Phone (____) _____
Contractor's License # _____
Address _____
City _____ State _____ Zip _____
Email _____ Contractor Signature _____ Date _____

The signature above certifies the above information is correct and the referenced HVAC equipment was installed in accordance with program standards.

AGREEMENT

I certify that all statements made in this application (including attachments) are correct to the best of my knowledge and agree to the terms and conditions of this Program set forth on the reverse side of the application.

Name/Title of Authorized Applicant (Please Print)

Signature of Applicant

Date

TERMS & CONDITIONS

Applicable to all rebate requests:

I certify that the information provided on this application form is accurate and complete. I understand that the proposed incentive payment from Danville Utilities is subject to change based on availability and approval. I understand that Danville Utilities reserves the right to revise incentive levels and/or qualifying efficiency levels at any time. I understand that I must attach acceptable forms of proof of purchase and installation details to application or submit to Danville Utilities within 90 days after installation and after equipment becomes operable in order to be eligible for a rebate. Acceptable forms of proof of purchase include paid invoices or receipts. The documentation must show item numbers, and quantities. Additionally, the post-installation documentation must include manufacturers' specifications that list the efficiency ratings of the equipment. I understand that Danville Utilities may, at its sole discretion, accept other forms of proof of purchase. I understand that all installed measures must be new. No refurbished measures will be accepted. All new installations must be intended to replace existing equipment or new construction. I understand that installation must be performed by a licensed HVAC contractor. I understand that the proposed rebate payment is subject to change, based on site verification and Danville Utilities approval. I agree to Danville Utilities site verification of both the sales transaction and equipment installation, which may include a site inspection by a Danville Utilities representative. I understand I may or may not be allowed to receive more than one incentive from Danville Utilities. I understand no rebate can exceed the cost of the equipment. I also understand my participation in the program may be taxable and that I am solely responsible for paying all such taxes. I hereby agree to indemnify, hold harmless and release Danville Utilities and its affiliates from any actions or claims in regard to the installation, operation and disposal of equipment (and related materials) covered herein including liability from any incidental or consequential damages. Danville Utilities does not endorse any particular manufacturer, product or system design within this program; does not expressly or implicitly warrant the performance of the installed equipment (contact your contractor for details regarding equipment warranties); and is not liable for any damages caused by the installation and/or operation of the equipment nor for any damage caused by the malfunction of the installed equipment.

A customer's election to participate in the Program means that the customer is consenting to the possibility of Danville Utilities sharing that customer's pertinent information with Danville Utilities' agents, contractors, wholesale power suppliers and PJM LLC. Pertinent customer information includes, but is not limited to account holder name, address, other contact information and other information necessary to implement and monitor the Program. Rebate amounts are subject to regulatory modifications without notice and Program availability until fully subscribed. Projects must be complete before rebates will be paid. Rebates cannot be reserved.

ELIGIBILITY RULES

- 1. Customer must comply with all Terms & Conditions above. Installation must have occurred within the past 90 days of application submission.**
2. Customer must be classified as and served under a Danville Utilities Worship Sanctuary Service (Rate Schedule 15), Small General Electric Service (Rate Schedule 40), Medium General Electric Service (Rate Schedules 50, 55, 56) or Large General Electric Service (Rate Schedules 60, 65, 66) rate schedule.
3. HVAC contractor must complete Contractor Information section of application, if applicable.
4. Energy efficiency project must be installed on or after June 1, 2012.
5. Submit completed application, required proof of purchase and AHRI information/manufacture's specification documentation to contact listed below by mail, email or fax.

Important: Incomplete application forms will not be processed and will be returned for correction to the submitting party. Read carefully and comply with all the Terms & Conditions above. Please review all items before submission of the rebate application. Complete all parts of the application that are applicable.
